AB 1252, as introduced, Pavley. County scenic highway.

Existing law authorizes the Department of Transportation to authorize county to designate a highway as an official county scenic highway if the department, with the advice of the Departmental Transportation Advisory Committee, determines that a county highway meets the minimum standards prescribed by the department.

This bill would require the department to designate Mulholland Highway as a county scenic highway, upon the County of Los Angeles applying for the designation, and the department determining that the County of Los Angeles is in compliance with the prescribed standards.
